Baptized and communing members of other Christian churches are welcome to join us at Holy Communion. As Lutherans we believe that Christ is fully present in both bread and wine, and so you have fully received even if you only receive in one kind. The words "For you" require simply a believing heart. Wine and grape juice are provided in individual cups on tables on either side of the church, and bread will be served by a continuous line coming up to the front via the middle aisle. After receiving the elements, please place empty cups in the trays on the sides of the church and return to your seat via the outside aisles. Please maintain physical distancing of at least 6 feet from the person or family in front of you.
